

Built for the rail. *Ready for the grind.*

Maximize Your Railroad Equipment Investment.

The Impact

When railroad equipment breaks down, the impact is severe.

Problems can lead to safety risks, significant economic losses due to downtime, and widespread disruption to transportation and supply chains.

That's where the "DRE Team" comes in as your trusted railroad equipment supplier and partner.

Welcome to Donohue Railroad Equipment (DRE).

Donohue Railroad Equipment (DRE) has been a trusted name in the rail industry for over 30 years. Since the **Tougher Family** took over in 2015, John Tougher and his sons, Brian and JJ, have revitalized the company with updated production facilities, expanded property acquisitions, and a broader product line.

American-owned and Operated, **DRE** is committed to keeping clients moving with high-quality equipment, timely turnarounds, and exceptional customer service. Positioned for growth and innovation, **DRE** is your reliable partner for all railroad equipment solutions.

You can't afford to be down.
We will keep you on track and on schedule.
